ATX Base Camp
Austin, TX

Dear friends and colleagues,

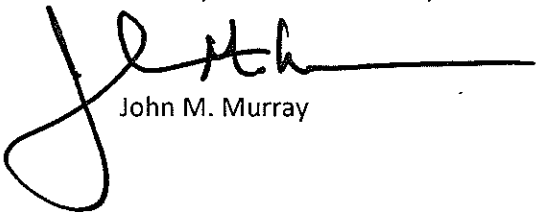

For almost four decades, I have been blessed with the opportunity to serve this great country and I have developed a deep appreciation for the men and women who also chose to serve.

Unfortunately, not all service members transition seamlessly from the armed forces to the private sector. During my time in Austin, Texas, I have witnessed veterans who lack support, live in poverty, and are experiencing homelessness.

A group of amazing folks, here in Austin, have decided to take action- our volunteer "ATX Base Camp" team has partnered with local organizations to offer tailored services with the goal of providing short and long-term housing for veterans that find themselves without a community and shelter. We plan to bring veterans together to provide a sense of community that will allow us to match services and resources to better assist with the ancillary challenges that are associated with homelessness.

We have a plan, but we need your help! Your support and the support of our network is crucial to this mission. ***We are holding a fundraiser campaign to raise money to start housing veterans as early as next summer. Your end of year "plankholder" donation is tax-free*** and will contribute directly to the housing and feeding of homeless veterans. Please see our attached flyer you can donate on our website at atxbasecamp.org

Thank you in advance for your contribution!
